About The Author

Kevin O'Neill was born in 1972. His love of writing started when he was about 7 years old and wrote a music trivia book - written out long hand on old scrap paper. The material for the book was obtained from some old records found around the house. Since that time his works have evolved into more technical writing - as his best selling book to date is the C++ For Kids book which he sells off his website. Mr. O'Neill is married and has a son and daughter - they reside in Canonsburg, PA.
