

Hoare Family-the Senator was very proud of the name of Hoare. We came from adjoining shires in England,our family from Berkshire,and Se nator Hoare from Gloucestershire. He said this crest is found to belong to many families of that name, in many shires,so we are as likely to own it as the others.

This is what is found in the history of Lancaster Co.,and fearing you might not be able to get one,I have copied mine which came from a relative in Chester Co.,

Now,this is not very complete,but will give you enough to start on. I really did not think I had such information, and had forgotten where my papers were.

I hope this will be of some use to you,and any time you want to see the little book sent me by Senator Hoar,of which Harry Kurtz Hoar also has a copy,(Upper Darby,Pa.) I will be very glad to show it to you. It contains his father's will which is quaint.
