

KEVIN O'NEILL

The Management of Be - Foursome

Many key aspects are important in management - breaking this down into small segments will help with success.

1. Be able to have a strong foundation built of your team so that it's easy to grow and prosper
2. Be a people person which will lead to being a good motivator
3. Be sure to coach and mentor your employees
4. Be sure to succeed as a team
