•	SharePoint 2010 Site Action Areas	A site owner typically will be working in four areas: Site Actions -> Site Settings Site Actions -> Edit Page Site Actions -> New Page, New Document Library, New Site and More Options While in a list or library (Settings -> List or Library Settings)
	1. Under Site Actions -> Site Settings a Site Owner likely will see the following options:	
	2. If a user is a subsite owner and doesn't have rights to the top level site then while going to Site Actions -> Site Settings they will not have access to the following:	Galleries Site columns Site content types Web parts List templates Master pages and page layouts Themes Solutions

3. A Site Collection administrator will have many more options to choose from.
